

Storehouse Community Support Grant

Thank you for taking the time to give us more information about your local school in need of some community support.

Please print this page, fill it in and return by email or fax to brenda@unlocktheppo.com or 855-677-0101. We review and award submissions monthly. Each award granted is a total of \$250 to be used towards the needs of your community school for direct student support of school supplies, food or toiletries for any financially underserved segment of your student population.
